.....Respondents

The Petitioner above named most respectfully states as under:

1. The Petitioner above named M/s. RMG Allys Steel Limited is a Company incorporated under the provisions of the Company Act, 1956 having its registered office at Plot No. 1

G.I.D.C. Industrial Estate, Jhagadia – Valia Road, Jhagadia Dist. Bharuch – 393110.

2. The Respondent No:1 to 4 (hereinafter referred to as "DisComs") are Distribution Licensees in the State of Gujarat under within the meaning of Section- 2 (17) of the Electricity Act, 2003 and are undertaking Distribution and retail supply of electricity in different geographical region in the State.
3. The Respondent No: 5 (hereinafter referred to as 'GUVNL') is the holding company of Respondent No: 1 to 4 and undertaking purchase of power in bulk and supply to Respondent No: 1 to 4 for onward supply to retail consumers in the State and also providing guidance to Respondent No: 1 to 4 in policy matters.
4. The Petitioner is having manufacturing / steel manufacturing unit located at Plot No. 1 G.I.D.C. Industrial Estate, Jhagadia – Valia Road, Jhagadia Dist. Bharuch – 393110. The Petitioner is electricity consumers of Respondent No: 39522 having contract demand of 20,000 supplied at 220 KV voltage level.
5. The petitioner submits that the above unit of the Petitioner was declared as 'Sick Unit' under the provisions of Sick Industrial Companies (Special Provisions) Act, 1985.
6. It is pertinent to submit that in the modern economy, the industrial activities play a major role in the economic development and growth engine of developing countries like India which gives large amount of employment and revenue to Government for welfare of citizens.
7. In the present scenario of economic downtrend coupled with other external factors such as stiff competition, industries are passing through its toughest phase and facing challenges for its survival. Additionally, Indian industries also become victim of dumping with rapidly growing imports. This has

affected financial health of Indian industries due to less net realization. The cash-loss has reached at unsustainable level, ultimately forcing some of them to close down.

8. It is submitted that the industries in the State are passing through a crucial stage struggling for its survival on account of following amongst other reasons:
 - a. It is submitted that the State of Gujarat does not have natural resources and situated far from the States having.
 - b. The industrial tariff for power in the State of Gujarat is comparatively higher and therefore, they could not compete with large units situated in other States having availability of cheaper power.
 - c. That in last several years, the situation has further aggravated due to several other factors such as worldwide recession, dumping of material from China at cheaper rate, cheaper power rates in other States and thereby supply from such States to the State of Gujarat and other similar factors.
 - d. Difficulties in raising required funds due to erosion in net worth on account of less net realization.
9. The combined effect of all these factors amongst other factors including increase in power cost of DisComs have affected the business severely making the business completely unviable and sick.
10. It is pertinent to point out that the industrial sickness have far reaching socio-economic consequences on the society as whole, such as-
 - a. Aggravating un-employment problems due to closure of industrial unit

- b. Widespread labour unrest due to closure, threatening industrial environment of the State.
- c. Creating adverse impact on the other related units to backward and forward linkages.
- d. Idling of resources invested in the industries
- e. Huge loss of revenue to Government and local bodies.

11. That it is respectfully submitted that when sick industries in the State are struggling for its survival, it is need of time that all concerned agencies including State DisComs extend their support / relief / concessions to sick industries for its revival and survival. This would not only benefit to Respondents but also would be benefitted huge number of families who are directly or indirectly dependent on such industries. Revival of sick industries would help in job creation apart from increase in Tax / other income to the Government, increased revenue to Discoms in future and harmony in society etc.
12. It is pertinent to point out that Respondents No: 1 to 4 are supplier of electricity in the State and electricity is considered as backbone of the industrial activities. The Petitioner and similarly placed sick industries are expecting support / relief / concessions from the Respondents during this difficult time mainly on two aspects (i) special tariff dispensation to sick industries, (ii) concessions / relief in levy of security deposit for providing power supply to sick industries.
13. It is to respectfully point out that as far as applicability of special tariff dispensation to sick industries is concerned, the Petitioner / other similarly placed sick industries have already filed petitions before Hon'ble Commission on similar subject matter which is pending before this Hon'ble Commission for final decision in the matter.

14. That as far as other concessions/ relief expected from the Respondents in terms of levy of security deposit from sick industries, the Petitioner is preferring the present petition for issuing appropriate directives to Respondents for granting relief / concessions for levy of security deposit for providing power supply, not only in respect of the manufacturing unit of the Petitioner but for all similarly placed sick units / industries in the State of Gujarat.

15. That in order to understand the scope and purpose of present petition, the Petitioner would like to refer relevant provisions of the Electricity Act 2003 (Act) and GERC (Security Deposit) Regulations, 2005 as under:

Section – 47 of the Electricity Act, 2003 read as under:

(Power to require security):

*(1) Subject to the provisions of this section, a distribution licensee **may** require any person, who requires a supply of electricity in pursuance of section 43, to give him reasonable security, as may be determined by regulations, for the payment to him of all monies which may become due to him-*

(a) in respect of the electricity supplied to such persons; or

(b) where any electric line or electrical plant or electric meter is to be provided for supplying electricity to person, in respect of the provision of such line or plant or meter, and if that person fails to give such security, the distribution licensee may, if he thinks fit, refuse to give the supply of electricity or to provide the line or plant or meter for the period during which the failure continues.

(2) Where any person has not given such security as is mentioned in subsection (1) or the security given by any person has become invalid or insufficient, the distribution licensee may, if he thinks fit, refuse to give the supply of electricity or to provide the line or plant or meter for the period during which the failure continues.

licensee may, by notice, require that person, within thirty days after the service of the notice, to give him reasonable security for the payment of all monies which may become due to him in respect of the supply of electricity or provision of such line or plant or meter.

(3) If the person referred to in sub-section (2) fails to give such security, the distribution licensee may, if he thinks fit, discontinue the supply of electricity for the period during which the failure continues.

(4) The distribution licensee shall pay interest equivalent to the bank rate or more, as may be specified by the concerned State Commission, on the security referred to in sub-section (1) and refund such security on the request of the person who gave such security.

(5) A distribution licensee shall not be entitled to require security in pursuance of clause (a) of sub-section (1) if the person requiring the supply is prepared to take the supply through a pre-payment meter.

(Emphasis supplied)

16. That the relevant provisions of GERC (Security Deposit) Regulations 2005 read as under:

4. Security Deposit for the electricity supplied / to be supplied

For demand based supply		
(vi)	For Continuous Process Industry	1.5 times the monthly Consumption Charges taking demand charges based on 85% of contract demand plus energy charges based on 80% of load factor plus all other levies and taxes. For calculation, the power factor

		shall be reckoned at 0.9.
(vii)	For Non-Continuous Process Industry	1.5 times the monthly Consumption Charges taking demand charges based on 85% of contract demand plus energy charges based on 60% of load factor plus all other levies and taxes. For calculation, the power factor shall be reckoned at 0.9.
(viii)	For establishments of Central Government, semi Government and local authority	1.5 times the monthly Consumption Charges taking demand charges based on 85% of contract demand plus energy charges based on 40% of load factor plus all other levies and taxes. For calculation, the power factor shall be reckoned at 0.9.
(ix)	For temporary Supply	2.0 times the monthly Consumption Charges taking demand charges based on 85% of contract demand plus energy charges based on 60% of load factor plus all other levies and taxes. For calculation, the power factor shall be reckoned at 0.9.
(x)	For purpose other than those specified above	1.5 times the monthly Consumption Charges taking demand charges based on 85% of contract demand plus energy charges based on 50% of load factor plus all other levies and taxes. For calculation, the power factor shall be reckoned at 0.9.

4.5 In the case of consumers whose additional demand is to be sanctioned, the amount of Security Deposit shall be calculated as if it is a new service, for the entire load at prevailing applicable tariff rate as specified in Clause 4.4

4.6 Subject to the restrictions of the periods of three months or two months or one and half months as specified in Clauses 4.1 and 4.2, the adequacy of the amount of Security Deposit calculation in respect of consumers may be reviewed by the licensee usually once in every year (preferably after revision of tariff for the respective year) based on the average unit consumption for the period representing 12 (twelve) months from April to March of the previous year.

4.10 If the applicant does not make payment of required Security Deposit as demanded by the licensee, as mentioned in clause 4.4, the licensee can refuse to release supply. In case where the security deposit requirement is reviewed by licensee in terms of clause 4.8, and accordingly, the consumer is required to pay further amount as Security Deposit and the consumer does not make payment, the supply of consumer shall be liable for disconnection as per sections 47(3) and 56 of The Electricity Act, 2003.

4.13 The consumers shall pay the further Security Deposit within thirty days from the date of service of the demand notice issued by the licensee. If there is any delay in payment, the consumer shall pay surcharge thereon at 0.25% per week or at such rate as may be fixed by the Commission from time to time.

17. That it is respectfully submitted that in terms of above provisions of GERC (Security Deposit) Regulations, 2005, the Respondents Distribution Licensees requires Security Deposit equivalent to 1.5 times monthly consumption charges for providing power supply. Further, in case of requiring additional demand / power supply, DisComs calculate and

recover security deposit as if it is a new service for entire load including additional load at prevailing applicable tariffs.

18. It is further submitted that in terms of provisions of above regulations, the Respondent Distribution Licensees undertake review of amount of security deposit every year and seek additional amount of security deposit in case of shortfall after undertaking review.
19. That it is further to point out that even in case of sourcing of power from third party under open access transactions, the Respondent licensees compelling to maintain security deposit amount equivalent to 1.5 months consumptions charges as if entire power is supplied by the Respondents.
20. It is not denied that DisComs are entitled to levy security deposit for providing power supply. However, as per the language used in Section – 47 of the Electricity Act 2003, which uses the words "*a distribution licensee may require*", it is not compulsion on part of DisComs to levy security deposit for providing power supply. Thus, in a special case, if need arise, this Hon'ble Commission is empowered to direct DisComs to provide relief / concessions to sick industries in levy of security deposit.
21. That in the given circumstances and facts as outlined hereinafter, the Petitioner, by way of present petition, is invoking jurisdiction of Hon'ble Commission seeking direction to the Respondents to grant special concession / relief to similarly placed sick industries on following aspects, for initial 7(seven) years from the declaration of sick industry, as under:
 - a. Release of security deposit / Bank Guarantee in lieu of security deposit held by DisComs towards security for supply of power.

- b. Not to ask for additional security deposit for providing additional power supply.
 - c. Not to levy additional security deposit upon undertaking review of security deposit every year.
 - d. Not to recover security deposit from sick industries sourcing power through open access.
22. Release of security deposit / Bank Guarantee in lieu of security deposit held by DisComs: It is pertinent to submit that in the scenario when sick industries are starving for fund and tapping all the possible sources for raising the required fund to sustain its operations, blockage of fund in terms of security deposit with Respondents, is one of the major hurdles in their efforts of its revival and survival. The release of security deposit / Bank Guarantee held by DisComs will provide additional fund / drawing power from Banks, which can be utilized for sustaining its operations and to avoid possible closer down of industrial units.
23. Not to ask for additional security deposit for providing additional power supply: It is pertinent to point out that the sick industries are making all efforts for revival of industries including optimum utilization of existing factory resources and to bring economy of scale to ensure cost reduction for facing the stiff competition. This requires additional power supply from DisComs which in turn requires additional fund in terms of additional security deposit. The sick industries which are otherwise starving for fund, it is not expected to arrange the additional security amount which has consequential effects namely, for want of fund for additional security deposit, the additional power supply cannot be arranged and due to non-availability of additional power, it is not possible for optimum utilization of existing resources/ bring economy of scale for cost reduction, which is the key for survival of sick industries. In case additional power is

provided without insisting for security deposit, it will be possible for sick industries to utilize existing resources in optimum manner and to bring economy of scale, which will ensure revival and survival of sick industries.

24. Not to levy additional security deposit upon undertaking review of security deposit every year: DisComs undertake review of security deposit on annual basis and also requires payment of additional security deposit in case any shortfall is observed based on previous year average consumption. Sick industries which are otherwise struggling for fund, has to arrange for additional fund to meet the requirement of DisComs for additional security deposit or have to face disconnection of power supply on account of non-payment of additional security deposit leading to closure of industrial units. Therefore, there is earnest need that sick industries be exempted from the annual review and payment of additional security deposit so that closure of industrial units can be avoided for want of fund for payment of security deposit based on review undertaken by DisComs.

25. Not to recover security deposit from sick industries sourcing power through open access: It is respectfully submitted that even in case of sourcing of power from third party under open access transactions, the Respondent licensees compelling to maintain security deposit amount equivalent to 1.5 months consumptions charges as if entire power is supplied by the Respondents. When sick industries are purchasing power from third party under open access and not purchasing power from DisComs, there is no logic and justification for levy of security deposit as if entire power is purchased from DisComs. In the facts and circumstances of the case, when sick industries are facing financial crunch, Hon'ble Commission is requested to direct DisComs not to levy security deposit from sick industries.

26. It is respectfully submitted that Electricity Act 2003 has entrusted duty on the Hon'ble Commission to safeguard interest of consumer like the Petitioner and similarly placed other consumers in the State by exercising plenary powers given to this Hon'ble Commission under the Act. Accordingly, Hon'ble Commission may please to direct Respondents to grant special concessions / relief to sick industries in levy of security deposit for providing power supply.

27. In case, special relief / concessions in levy of security deposit is granted to sick industries, it would act as tonic and will economize the cost of production and ensure the revival of the industries.

28. The petitioner would like to further submit that in order to prevent misuse of special relief / concessions granted to the sick industries in levy of security deposit as sought hereinabove and to avoid any type ambiguity and for proper implementation of the provisions of such relief / concessions, following criteria may be laid down to become eligible for special relief / concessions by sick units:

a. The unit is having established in Gujarat for more than 10 years

b. The unit should be operational condition

Should be an eligible unit as per Government of Gujarat's Industrial Policy for relief and concession to the viable sick industrial enterprise dated 11.09.2017.

c. The beneficiary unit will be entitled to the special relief / concession in levy of security deposit, getting power only upto 30 MW.

d. The special relief / concession in levy of security deposit may be allowed for maximum period of 7 years.

29. The Petitioner submits that providing any special relief / concession to the sick units is in no way contrary to the provisions of Electricity Act 2003 in any manner, rather it would be in accordance with the provisions of Act/ Regulations.
30. That it is pertinent to submit that considering the financial difficulties faced by sick industries and in order to ensure revival of sick industries, the DisComs of other States are also extending supports to sick industries in one or other forms. The Petitioner would like to refer Revival Scheme for Sick Industries – 2014 notified by Government of Madhya Pradesh wherein special consideration is given to sick industries in terms of providing power supplying without insisting for fresh security deposit in case power supply has been disconnected due to non-payment of bills or the agreement has been terminated ex-parte. Further, the scheme also provides for facility of paying arrears of electricity bills to concerned DisComs in six half yearly instalments and exemption from levy of interest on electricity dues etc. The copy of the scheme notified by Madhya Pradesh Government is annexed herewith and marked as **Annexure-A**. Similarly, Government of Punjab has also provided special relief to sick units in their details schemes and operational guidelines notified in the year 2018 wherein relief / concession in terms of deferment of recovery of arrears of electricity bills etc is granted to sick industries. The copy of relevant pages (**Page-1 & 77**) of schemes and operational guidelines-2018 of Punjab government is annexed herewith and marked as **Annexure-B**.
31. It is respectfully submitted that in line with the approach adopted by other States in giving special relief / concessions to sick industries in one or other forms, the Petitioner requests Hon'ble Commission to direct respondents to provide special relief / concessions in levy of security deposit from sick

industries so that the closure of industrial units can be avoided for want of fund.

32. The Petitioner crave leave to add, alter or amend this petition as and when necessary and to urge such other and further grounds at the time of hearing as may be necessary.

Prayer:

In the facts and circumstances of the case, it is the prayer of the Petitioner that:

- (a) Hon'ble Commission may please to take on record the above petition,
- (b) Hon'ble Commission may please to grant the opportunity of being heard to the petitioner,
- (c) Hon'ble Commission may please to direct Respondent Distribution Licensees to allow special relief / concessions in levy of security deposit from sick industries in terms of -
 - i. Release of security deposit / Bank Guarantee in lieu of security deposit held by DisComs towards security for supply of power.
 - ii. Not to ask for additional security deposit for providing additional power supply.
 - iii. Not to levy additional security deposit upon undertaking review of security deposit every year.
 - iv. Not to recover security deposit from sick industries sourcing power through open access.

- (d) Pass such further order or orders as this Hon'ble Commission may deem just and proper in the circumstances of the case.

- PETITIONER

Declaration:

Declaration that subject matter of the petition has not been raised by the Petitioner before any other competent forum and that no other competent forum is currently seized of the matter or has passed any order in relation thereto.

REVIVAL SCHEME FOR SICK SMALL SCALE INDUSTRIAL UNITS

(Madhya Pradesh Small Scale Industries Revival Scheme - 2014)

- 3.1** Industrial sickness leads to problems, such as unemployment, revenue loss to the State and Central Government reduced flow of institutional finance, increase in non-productive assets etc. The factors responsible for sickness in small scale industries may include obsolete technology, non-availability of skilled manpower, poor management, diversion of funds, lack of entrepreneurship/professionalism, marketing problems etc. Industrial sickness is an integral part of the process of development. Hence, it is desirable to take effective steps by the Government and other agencies concerned for timely detection of sickness at its initial stage.

In this context, it is noteworthy that the Government of India has set up a statutory body, namely, the Board for Industrial & Financial Reconstruction (BIFR) under the Sick Industrial Companies (Special Provisions) Act, 1985 to facilitate revival of viable sick industrial units and also for the winding up of non-viable sick units. SSI sector, however, does not come under the purview of the BIFR. It is noticed that some State Governments such as Gujarat, Andhra Pradesh and Karnataka have evolved schemes for revival of SSI and non-BIFR sick viable industries. There is need to formulate a comprehensive package for revival of viable sick SSI and non-BIFR units in Madhya Pradesh. With this in view, amended scheme, called "Madhya Pradesh Small Scale Industries Revival Scheme (MPSSIRS)" is introduced as under:

- 3.2 Title:** The scheme shall be called "Madhya Pradesh Small Scale Industries Revival Scheme (MPSSIRS)".
- 3.3 Operation period:** This scheme shall come into operation with effect from the date of issue of order in this regard.
- 3.4 Applicability:** The scheme shall be applicable only to micro/small scale industrial units/ ancillary units (not eligible for reference to BIFR) in the manufacturing sector, whose total investment in plant & machinery (excluding land and building) exceeds INR 5.00 lakh. The scheme would not be applicable to service and business enterprises, and such industrial units which are ineligible under the subsidy schemes of the department and for tax exemption.

3.5 Definitions :

3.5.1 Sick unit:

A micro/small scale industrial unit will be considered sick if according to its audited accounts for the financial year 2008-09 or subsequent years.

- a) The borrower account of the unit remains substandard for more than six months i.e. principal or interest in respect of its borrower account remains overdue for a period exceeding one year. The requirement of overdue period exceeding one year will remain unchanged even if the state of the accounts remaining sub-standard improves in due course;

Or

There is erosion in the net worth of the unit, which is to the extent of 50 per cent of its net worth due to accumulated cash losses during the previous accounting year;

And

- b) In case of a closed unit, the unit has been in commercial production for at least two years before its closure, and it has remained closed continuously for 18 months. There has been electricity disconnection due to closure or the prescribed return of commercial tax for this period has been nil or any other reason as the empowered committee may deem fit.
- c) Accounts would mean such audited accounts of the units, which it has reported to the Registrar of Companies or which are audited by a Chartered Accountant.

3.5.2 Net Worth:

In case of limited company, net worth means the sum total of paid up capital and free reserves. In case of a partnership/ proprietary concern, net worth means the sum total of partners'/ proprietor's capital and free reserves.

3.5.3 Free Reserves:

Free reserves means such deposited capital, which has come from profit and share premium account but does not include capital arising from revaluation of assets, and written back depreciation under provisions of amalgamation.

3.5.4 Bank:

Means any public sector bank, District Cooperative Bank, Urban Cooperative Bank and any other bank that is a scheduled bank in terms of the second schedule to the Reserve Bank of India Act

3.5.5 Financial Institution:

Financial Institution means Industrial Development Bank of India, Industrial Finance Corporation of India, Industrial Credit and Investment Corporation of India, Industrial Investment Bank of India, Small Industries Development Bank of India, Madhya Pradesh State Industrial Development Corporation, M.P. State Finance Corporation or any other institution which is authorized to advance loans for investment made in plant & machinery to industrial units.

3.5.6 Viable sick unit:

Viable sick unit means a unit in the manufacturing sector with investment made in plant & machinery of over INR 5.00 lakh, and which would be in a position, after the implementation of rehabilitation package/scheme (the period of which will not exceed five years), to repay the restructured loans and interest fully to the banks/ financial institutions as well as the dues of the State Government/ Central Government and the concerned electricity distribution company etc. within the period of implementation of the package.

3.5.7 Dues payable:

Means amounts outstanding as dues to all statutory authorities, such as Commissioner of Commercial Taxes, Collector of Customs and Central Excise, Commissioner of Income Tax, Statutory dues under various Labour Laws, Regional Provident Fund Commissioner, Electricity Distribution Company or such other authorities which have legal authority to receive payment from the unit.

3.5.8 Appraisal Agency:

The agency appointed to appraise the viability of the sick unit with the consent of the financing institution/bank and the Empowered Committee. This agency would be as mentioned in clause 3.8.2.

3.5.9 State Government:

Means Department of Commerce, Industries & Employment of the Government of Madhya Pradesh.

3.5.10 Special Cell:

Means a cell specially formed by the Commissioner of the Industries for the purpose of operation of this scheme.

3.5.11 Madhya Pradesh Electricity Distribution Company:

Associate Electricity Distribution Companies of the Madhya Pradesh State Electricity Board

3.5.12 Eligible Assets:

Means the assets created during the period of two years from the date of sanction of the rehabilitation package subject to limit of additional investment as approved under MPSSIRS for rehabilitation of the sick unit. Any other assets acquired, created and/or paid for after the period as mentioned above shall not be taken into consideration.

3.5.13 Eligible Plant & Machinery:

Plant & machinery shall mean investment made in plant & machinery, buildings & sheds, but shall not include land & dwelling units.

3.5.14 Technical Know-how fee:

Fees paid for technical know-how or consultation fee paid in lump sum to foreign supplier as approved in accordance with the policy of the Govt. of India in force from time to time or paid to laboratories recognized by the State Government or Central Government.

3.6 Reliefs :

Micro/small scale, non-BIFR sick industrial units, for the preparation of rehabilitation package of which the Government of Madhya Pradesh has agreed in principle, following reliefs and concessions will be accordingly extended -

3.6.1 Fiscal Reliefs:

Eligible units will be able to get the following reliefs and concessions from various departments/agencies of the State Government.

Necessary funds to operate the scheme and to reimburse financial loss to the Government and its agencies shall be provided in the budget allocation of the Commerce, Industries & Employment

Department. The number of units to be provided relief shall be limited according to the availability of funds in any given year.

3.6.1.1 Commercial Tax Department:

The unit will be given the facility to pay arrears of commercial tax i.e. assessed tax in 36 equal monthly instalments or twelve quarterly instalments with interest/penalty. The unit will be free to deposit the amount of assessed tax without interest / penalty in one stroke.

3.6.1.2 Madhya Pradesh Electricity Distribution Company:

The unit eligible under the Scheme would be granted the following reliefs by the concerned Madhya Pradesh Electricity Distribution Company -

a) Minimum charges for the closure period subject to ceiling of maximum Rs. One lakh will be waived. However, if the unit has already paid the amount of minimum charges, the same shall not be refunded.

b) In cases where power has been disconnected due to non-payment of bills or the agreement has been terminated ex-parte, no fresh security deposit would be insisted upon.

c) Facility of paying arrears of electricity bills to concerned Electricity Distribution Company in six half yearly instalments from the date of sanction of revival scheme will be given to the unit.

d) Interest payable on dues of the concerned Electricity Distribution Company for closure period of the unit will be waived upto maximum ceiling of Rs. one lakh for re-connection of electricity supply by the concerned Electricity Distribution Company, payable additional service charge will be waived upto to maximum ceiling of Rs. twenty five thousand.

e) Penal charges imposed by the concerned Electricity Distribution Company will be waived upto maximum ceiling of Rs. twenty five thousand. In addition to the above, on rehabilitation prompt action in accordance with the policy in force under the concerned Electricity Distribution Company and the Electricity Act, 2003 will be ensured.

3.6.1.3 Commerce & Industry Department:

- a) If any small scale unit, which has been sanctioned rehabilitation scheme, avails fresh term loan under the revival package, it will be eligible for interest subsidy as per the existing rules of Government of M.P.
- b) Viable closed unit would be granted the facilities as applicable to a new unit from the date of revival. If additional investment is made in plant & machinery, State Capital Investment Subsidy would be granted as per eligibility.

3.6.1.4 Continuation of Incentives sanctioned earlier:

This scheme will also be applicable to a sick unit, which has had change in management. The revived unit would get the facilities sanctioned to the earlier unit for the unexpired eligibility period.

3.6.1.5 Additional Relief:

In addition to the above fiscal concessions, recommendation may be made to the concerned authorities for granting of following additional reliefs -

- a) Exemption from stamp duty on different agreements to be registered as a consequence of revival scheme.
- b) This scheme will be implemented through Single Window System.

3.7 Empowered Committee:

Government of Madhya Pradesh constitutes an Empowered Committee of following members for sanction of rehabilitation package under this scheme -

It will be the responsibility of the member-secretary of the committee to get case decided after organizing meetings within the stipulated time. If decision is not taken within stipulated time, explanation will be sent to the Industries Commissioner, Madhya Pradesh within 15 days with appropriate reasons.

3.8 Procedure:

3.8.1 Initial Scrutiny, eligibility of case:

- (a) The applications received in the office of General Manager, District Trade & Industries Centre will be scrutinized and cases found eligible on preliminary scrutiny will be registered and registration number will be issued. This procedure will be completed within 7 working days. The application will be disposed of by the Committee.

(b) Circulation among members:

After registering the application, copies of complete application shall be circulated amongst the concerned members of the Empowered Committee for their departmental comments. Members shall be present in the meeting of the committee along with comments of their respective department. The concerned members will have to act for their departmental comments within 15 days. The views of the concerned members as well as other relevant issues will be considered in the subsequent meeting of the Empowered Committee following the date of registration.

3.8.2 Reference to Authorized Consultant for appraisal:

Applicant will have to get his application, which will contain statement of expected assistance from the Government, appraised by a consultant out of the list of Industrial Consultant published by IDBI/SIDBI or by MPCON or Centre for Entrepreneurship Development Madhya Pradesh (CEDMAP). A clear recommendation from the consultant, whether revival is possible or not will have to be obtained. Applicant will submit scheme/proposal from consultant in the application, which shall contain other particulars such as financial assistance to be obtained from banks/financial institutions, and their consent.

3.8.3 Application fee:

Application fee shall be Rs. one thousand only.

3.8.4 Circulation amongst members of the Empowered Committee:

Office of the Empowered Committee will examine the report of the Appraisal Agency and ensure that it conforms to the guidelines laid down in the scheme. Thereafter, the report would be circulated amongst members of the Committee.

3.8.5 Sanctions by the concerned agencies:

After receipt of the report from the Empowered Committee, the concerned agencies will communicate their consent for the reliefs and concessions/foregoing of dues envisaged within a period of thirty days. In case they are not in a position to give their consent within this time period, they will have to inform the committee giving cogent reasons for the non-grant of the reliefs and concessions as envisaged.

Decisions of Empowered Committee would be binding on all the departments of the State Government. If however, any

Department wishes to get any decision reconsidered, a proposal to that effect must be moved for the consideration of the State Government in the Department of Commerce, Industries and Employment.

3.8.6 Sanctions under MPSSIRS:

On completion of the aforesaid period of 30 days, the Empowered Committee shall consider the unit's case in its meeting where a final decision on the revival package would be taken.

3.8.7 Time frame for issuance of orders:

The respective departments of the State Government or its agencies concerned with the rehabilitation package of the sick unit will sanction reliefs as decided by the Empowered committee under the provisions of the respective acts/rules policy. Final orders sanctioning reliefs/concessions to the unit will be issued within one week of receipt of minutes of the meeting of the Empowered Committee, failing which the same will be deemed to have been given.

3.8.8 Quantum of Financial Sacrifice:

While working out the rehabilitation package, it should be ensured that the amount of financial sacrifice to be borne by the State Government/ Madhya Pradesh Electricity Distribution Company does not exceed the sacrifices to be borne by banks/ financial institutions. This condition shall not apply in case of a unit which has not availed of any finance from a bank/ financial institution up to the date it approaches the State Government for assistance under the present package. The amount of financial sacrifice shall be computed as follows:

- For relief/facility of payment in instalments of arrears 12 percent rate of interest will be taken into consideration. The State Government normally recovers arrears with a penal rate of interest of 18 percent per annum. The difference in the two interest rates i.e. interest at 6 % p.a. will therefore be treated as the financial sacrifice on the part of the State Government.
- Relief and concessions to be given by Electricity Distribution Company will be in the form of exemption, e.g. exemption from depositing fresh security deposit in case power has been disconnected due to non-payment of bills or due to ex-parte termination of agreement by the energy supplier, and minimum charges during closure period

- In such cases, the amount of security deposit/ minimum charges so exempted together with interest at 6 percent per annum from the date of payment of the deposit till the date of termination of the rehabilitation package will be considered as the amount of sacrifice.

3.8.9 Terms and Conditions for Grant of Reliefs:

- a) The Empowered Committee will conduct reviews from time to time, which shall be in addition to the annual review of performance of the unit under rehabilitation. During the period of rehabilitation the unit shall arrange for auditing of its accounts by a chartered accountant firm as approved by the Empowered Committee. The units that avail of reliefs under this scheme shall neither declare dividend nor pay interest on the deposits made by the promoters during currency of the rehabilitation package.
- b) The Industrial unit availing of facilities under the Scheme will take effective steps for pollution control measures as per the standards prescribed and approved by competent authority in this regard, and shall maintain them in working condition.
- c) The Industrial units will have to remain in production continuously at least till the expiry of the revival period under the scheme.
- d) The industrial unit will furnish details regarding production, employment or any other information that the State Government and the Empowered Committee may require from time to time.

The facilities/concessions provided to sick units shall not be applicable to units falling under the ineligible industry list mentioned in the Annexure-IV.

Chapter 1 - Introduction

1.1. Introduction

- 1.1.1. To promote Punjab as an attractive and competitive destination for industrial investments, the State Government has notified Punjab Industrial and Business Development Policy 2017, offering various incentives to the eligible industrial units in the State.
- 1.1.2. Detailed schemes and operational guidelines have been formulated under Clause 10.1 of the Policy for smooth implementation of the policy and to ensure that incentives are made available to the entrepreneurs in an objective, transparent and hassle free manner.
- 1.1.3. The Detailed schemes and operational guidelines have to be read with the provisions of the Policy and in case of any conflict, the provisions of the detailed schemes and operational guidelines will prevail.

1.2. Commencement and Applicability of the Guidelines

- 1.2.1. The operational guidelines shall commence from the effective date of Policy i.e. 17-10-2017 and shall be coterminous with the policy. However, the detailed schemes contained in Chapter 13, 16, 18 and 19 shall commence from the date of notification of these guidelines and shall be coterminous with the policy.
- 1.2.2. The guidelines may be amended and modified in the course of implementation, however, all such amendments and modifications shall be applied prospectively and shall not curtail any benefit or concession already granted under the policy. The entrepreneurs shall check the website of the Department for latest guidelines.

1.3. Online Portal

- 1.3.1. The applications for incentives will be processed through Business First portal, which will be set up by the Department.
- 1.3.2. The applications will be submitted in the system, using the forms designed for the same. The system will enable online scrutiny of applications and online generation of responses to the applicant. The applicants will be able to view the response in the system.
- 1.3.3. The formats and procedures prescribed in these guidelines are subject to suitable modifications and adoption for electronic submission, processing and workflow through online portal. The applicants must refer to the Portal for latest guidelines, forms and procedure and the same shall prevail over the provisions contained herein.
- 1.3.4. The URL for Online Portal will be www.pbindustries.gov.in.

- (ii). Any viable sick non-BIFR/SSI unit can also apply on the web portal directly by in Form S(b)
- (iii). Such applications should be accompanied by a proposed Revival Scheme giving the causes of sickness, Revival measures as per guidelines of Forum and promoters contribution and also audited Balance Sheet for last five years.

26.6 Preliminary Scrutiny

A Cell in the Department of Industries & Commerce will carry out a preliminary scrutiny mainly on the following aspects:

- (i). Is the applicant unit eligible for grant of reliefs under this Scheme in terms of Clause-26.2 herein?
- (ii). Is the applicant unit actually sick as defined by RBI/BIFR.
- (iii). Is the applicant unit actually sick as per clause 26.2(iii).
- (iv). Is the application accompanied by a proposed Revival Scheme?
- (v). Is the application accompanied by the unit's audited accounts for preceding three years?
- (vi). Are the auditor's remarks dealt and complied with fully and satisfactorily?

If the answers to the above questions are in the affirmative, the cell will register the application and give a registration number, which will be conveyed to the applicant in Forma S(c).

26.7 Reference to Consultants

The scheme shall then be referred by the Forum to an independent consultant from a panel of consultants approved by the Forum to:

- (i). Indicate whether there has been mismanagement or wilful siphoning off funds.

- (ii). Study if the unit in question is a 'viable sick unit'
- (iii). If yes, prepare a draft revival scheme for the unit under the broad parameters of the scheme. The package will incorporate the reliefs and concessions to be granted by the various agencies and sacrifices to be borne by each of them, which will also be quantified. The consultant will complete the study and submit its report to the Special Cell. The cost of the study will be borne by the applicant.

26.8 Circulation amongst the Members of Forum

The Cell would examine the draft scheme of the consultant and place before the Forum. The Forum may give 'in principle' approval of the scheme as it is, or modify it, or refer it back to the consultant for fresh appraisal, or reject it.

26.9 Sanctions by the Concerned Agencies

- (i). After the 'in principle' approval of the Forum, the case shall be placed before the Punjab Industrial and Business Development Board for consideration.
- (ii). After the approval of board, the scheme will be referred to the concerned agencies, for the reliefs and concessions / sacrifices as envisaged, within a period of 30 days. In case they are not in a position to grant their consent within this time period, they will advise the Forum in writing accordingly, giving cogent reasons for non-grant of the reliefs and concessions as envisaged within the given time. In case the financing bank and / or financial institution are not agreeable to sanction rehabilitation assistance to the unit, they shall have to state cogent reasons for the consideration of the Forum.
- (iii). Decision of Punjab Industrial and Business Development Board constituted under the policy, would be binding on all the Departments of the State Government.
- (iv). The unit shall apply for the benefit of Electricity Duty & Reimbursement of SGST within 3 months of issue of approval letter, as per procedure prescribed in Chapter 10 & 12 respectively.

26.10 Time frame for issuance of orders

The respective Departments of the State Government or its agencies participating in the revival programme of sick unit shall sanction the reliefs as decided by the Board under the provisions of the respective Act/Rules, policy or provisions. They shall issue final orders sanctioning Reliefs/concessions to the unit within 30 days of the receipt of the minutes of the meeting of the Board wherein the decision to grant relief & concessions to the concerned sick unit has been taken, failing which these shall be deemed to have been given. Similarly banks / financial institutions shall also sanction the reliefs envisaged in the scheme within 30 days of the receipt of orders of the Forum.

26.11 Other Conditions

- (i). Forum will carry out periodical reviews, apart from annual review of the performance of the unit under revival. During the period of revival, the unit shall

arrange of auditing of its accounts by a firm of chartered accountants as approved by the Forum.

- (ii). The unit which avails of reliefs under this Scheme shall neither declare dividend nor pay interest on the deposits put up by the promoters during the currency of the revival package.
- (iii). The industrial unit availing of the incentives under this Scheme shall install and effectively operate and maintain pollution control measures as per standards prescribed and approved by the competent authority in this regard.

Form – TA: - Reimbursement of cost of Technology Acquisition.

S.No	Description	Detail
1	Purpose of Technology Acquisition / Upgradation.	
2	Whether the enterprise acquiring the technology for the first time in India for specialized application? Please give the details with justification thereof.	
3	Brief of New Technology, with manufacturing process & details thereof	
4	Name & Address of the entity from which Technology is acquired, along with copy of Arrangement/MoU/ other documents for Proof of technology/acquisition & upgradation	
5	Cost of Acquisition/Upgradation:	Rs. Lakhs
	(i) Purchase of design & Drawings	
	(ii) Technology Development Fees to Experts/ R & D Institutions/Technical Consultancy/Firm	
	Others:	
	Total	
6	Amount of subsidy claimed @50% of the total cost of Technology acquisition	
7	Amount of assistance obtained from Government of India, if any	
8	Other Information, if any	

Documents to be submitted

S.No	Name of Document
1	CA certificate for details of expenditure incurred in acquisition of technology- in original (Form 9)
2	Copy of recognition certificate of national institute from which technology acquired if applicable
3	Justification for specialized technology acquired/upgraded
4	Copy of the bills and receipt of in respect of technology acquisition and proof of payment thereof
5	Copy of MOU signed with the concerned institute
6	Certificate of assessment of minimum maturity level under ZED scheme issued by QCI

Form ZED: - Additional support to Zero Effect Zero Defect (ZED) scheme

Sr. No.	Particular	Details
1	Amount of expenditure incurred on the purchase of Plant & machinery, testing equipments on the recommendation of approved assessor appointed by QCI (attach item wise detail in form 4).	
2	Details of reimbursement/ capital subsidy/Interest subsidy (name of the equipment & amount of subsidy) claimed from the GOI/ state Government, if any.	
5	Amount of reimbursement claimed through present application.	
6	Date of Commercial Operation Certificate No. & Date	

Documents to be submitted

S.No	Name of Document
1	Recommendation of approved assessor of QCI (attach copy)
2	Certificate from QCI about maturity level under ZED Scheme (in prescribed format Form ZED4)

4	Certificate of assessment of minimum maturity level under ZED scheme issued by QCI

Form EA: - Reimbursement of expenses incurred for Energy Audit to MSMEs

S.No	Particulars	Details
1.	Name of the agency, who conducted the energy audit	
2	Total amount & details of expenditure incurred for conducting Energy Audit	
3.	Total Reimbursement claimed against Energy Audit	
4.	Amount of Electricity Bills of last 12 Months	
5.	Average Power consumption of previous 12 months before audit (attach copy of Electricity Bill)	
6.	Power consumption after taking corrective action the Energy audit.	
7.	%age of reduction in the Power consumption after the Energy audit	

Documents to be submitted

S.No	Name of Document
1	Copy of Energy audit certification by the certifying agency
2	CA certificate of Expenditure as given in Form 10
3	Copy of the bills raised by certifying agency and proof of payment thereof.

Annexure EA1:Scope of Detailed Energy Audit

Our Area Of Detail Energy Audit Covers Following Areas:

1. Study of Electricity Bills, Contract Demand & Power Factor & Loading Pattern.
2. Power Distribution Study
3. Electrical Systems Study
4. Power Quality Analysis
5. Diesel Gen Set Audit or any other Generator Audit.
6. Motor Management
7. Air Conditioning Study
8. Thermal Study: Boilers/Furnaces/Incinerators.
9. Compressor Study
10. Pump systems
11. Study Of Lighting System
12. Thermo graph study.
13. Techno Economic Study of Power & Fuel with distribution drawings
14. Projects for Implementing the Energy Saving Measures

Study of lighting system:

1. Performance test of system installed
2. Calculating recommended luminance level for various tasks
3. Calculation of installed lighting load efficacy and installed load efficacy ratio
4. ILER Assessment
5. Finding areas for improvement
6. Light control: Recommendation & design for grouping of lighting system, installation of occupancy sensors, installation of PLC based time based lighting control sensors, installation for exclusive transformer for lighting
7. Selection of luminaries for efficiency and colors rendering index

Electrical energy audit:

1. Power factor improvement,
2. Max. Demand analysis, solution for avoiding penalties,
3. Most economical voltage level study,
4. Capacitor performance,
5. Calculation of specific power consumption (units/kg),
6. Adaptation of new Energy conservation technology etc.
7. Calculation of electricity cost on various machines
8. Bifurcations of power consumption spend on productive machines and utilities and their comparison with the standards

Power Quality Audit (Harmonic Analysis):

Detailed harmonic analysis, quantifying losses occurring due to high level of harmonics prevailing in the system, ways and means to mitigate the same to improve power factor in presence of harmonic polluted environment.

D.G. Audit:

Calculation of specific fuel consumption (units/liters) on existing and different load condition, load optimization on D.G. and suggest the scope of fuel saving, D.G. efficiency trials, load bearing capacity of D.G. set, checking of general maintenance and suggest measures to achieve better fuel efficiency, power factor suggestions, techno-economic study of new D.G., solution for problems etc.

Automation & Modification:

Detail analysis of system, product up gradation by value engineering, study and need of drives, sensors & PLC etc. analysis of feedback control in compressor D.G, humidification towers etc, development of on line monitoring & control system, need base implementation of SCADA (supervisory control and data acquisition system)

Motor Management:

Motor's addressing and coding, general checks for installation safety and starting, check for the level of heating etc, general procedure for overhaul of motors, critical checkpoints of motor after rewinding ,motor's performance evaluation incorporating percentage loading, formulation of maintenance schedule.

Compressor Study:

- Evaluating Efficiency-EPI
- Air Leakage losses
- Evaluating actual CFM/KW generation
- Designing system for energy saving on compressor as per requirement

Air Conditioning Study:

- Evaluating tonnage & system efficiency
- Determining CFM/KW for each supply fan
- Determining Fan efficiency
- Determining Pump efficiency
- Evaluating insulation of ducts
- Determining plant heat load requirement
- Evaluating CFM required to match plant's heat load
- Determining actual CFM flow on shop floor inside plant
- Ways & means for conservation of energy

Thermal audit:

Boiler efficiency evaluation & measures of improvement, efficient steam distribution & utilization, waste heat recovery system, optimization of steam pressure for generation distribution and utilization, insulation/radiation loss calculation, steam pipe line study, pressure optimization for fuel saving, flue gas analysis, use of alternate energy resources, water quality analysis, adaptation of new technology, process optimization for fuel saving etc. (saving can be achieved in the terms of 10-20%).

The following Meters shall be used during audit as per requirement

S. No.	Type of Instrument
1	Three Phase Power Analyzer
2	CT (AC)- 1000/5 Amps.- 3 Nos.

Form WA : Reimbursement of expenses incurred for Water Audit to MSMEs

S.No.	Description	Details
1	Name of the Water Audit Agency	
2	Total amount & details of expenditure incurred for conducting Water audit.	
3	Total reimbursement claimed against Water Audit.	
4	Amount of water bills of last 12 Months, wherever applicable.	
5	Average monthly water consumption after taking corrective action the	
6	%age of reduction in the Water consumption after the Water audit	
7	Whether any effluents are generated in industry	
8	Detailed description of effluents if generated.	
9	Whether Sewerage connection is in place, If not what is the method of disposal of Sewerage	
10	Amount of assistance obtained from Government of India, if any	
11	Amount of reimbursement claimed through present application.	

Documents to be submitted

S.No	Name of Document
1	Copy of Water audit certification by the certifying agency
2	CA certificate of Expenditure (Form 10)
3	Copy of the bills raised by certifying agency and proof of payment thereof.

Annexure WA1: Indicative Scope of Water Audit

S.No	Description
A	Applicable standards
1	Central Pollution Control Board, Ministry of Environment and Forest Guidelines
2	ISO-14001-Environment Management system
3	Water (Prevention and control of Pollution) Act.
4	National Building Code-2005
B	Scope :
1	Preparation & Study of Water balance chart identification of water wastage and potential reduction of use of water in organization.
2	Evaluation of requirement of ETP/STP specific to industry
3	Comparison of water usage against requirement.
4	Whether Industry disposal limit is adhered to if applicable.
5	Determination of opportunity for water use reduction.
6	Checking and calculation of ideal water requirement,
7	Study of Historical data for utility bills for water
8	Checking efficiency of bore wells of water
9	Study of water use SLD
10	Study of Energy use for water pumping and capacity of pumps used. Specific Energy for water use.
11	Study of water usage for external requirement.
12	Study of adequacy and accuracy of installed meters.
13	Measurement of TDS of water at site.
14	Audit of existing water quality test reports and study of quality criteria as per CPCB guidelines.
15	Study of records of previous tests for water used for drinking purpose.
16	Study of rain water harvesting system if installed and suitable recommendation as per applicability.
17	Any other aspect related to water usage and optimization thereof.
18	Identification of leakages.

Form SA: Reimbursement of expenses incurred for Safety Audit to MSMEs

S.No	Particulars	Details
1	Area of Safety Audit	
2	Name of the Safety Audit Agency	
3	Details of safety audit got conducted (attach report)	
4	Result of safety audit (attach report)	
5	Total amount & details of expenditure incurred for conducting Safety Audit (attach proof).	
6	Total reimbursement claimed @75% or maximum upto 1 lakh of the reimbursement of expenses against Safety Audit	
7	Details of investment made for Safety:	
	a. Details of processes & equipment.	
	b. Total cost of the equipments installed for safety measures (in Rs.) as recommended safety auditor (attach proof)	
	c. Whether audit recommendation implemented?	
8	Amount of subsidy claimed @50% of the total cost of safety measures equipment.	
9	Amount of assistance obtained from Government of India, if any	
10	Amount of reimbursement claimed through present application.	

Documents to be submitted

S.No	Name of Document
1	Copy of Safety audit certification by the supplier
2	CA certificate of Expenditure (Form 10)
3	Copy of the bills raised by certifying agency and proof of payment thereof.
4	Certificate of assessment of minimum maturity level under ZED scheme issued by QCI

Form EC: Assistance for Environment Compliance for MSMEs

Sr.No.	Particular	Details
1.	Details of new pollution control equipments installed on which assistance has been claimed:	
	Cost of the Equipment	
	Cost of the Air Pollution Control Devices Cost of Effluent treatment devices Any other pollution control devices	
	Cost of Civil Works	
	Total	
2.	Amount of subsidy claimed	

Documents to be submitted

S.No	Name of Document
1	Certificate from Regional Officer of Pollution Control Board (Form 11)
2	Certificate from Regional Officer of Pollution Control Board in case of Zero Liquid Discharge claim/ Instruments installed
3	CA Certificate regarding investment in environment control devices (Form 12)
4	Actual bills of the purchase of pollution control devices.

Form-PR: - Reimbursement of expenses incurred for Patent Registration

Sr. No.	Description	Detail
1	Number of patents already filed/granted (National/ International)	
2	Number of Patents filed under this scheme (if any)	
3	Indian Application Filing number: Date of Filing	
4	Is R&D for Invention indigenous i.e. developed in House/ Collaborative	
5	If Collaborative, give details of the type of Collaboration	

Part-2 Invention/Patent Information

6	Title of Invention	
7	Brief Description of Invention	
8	Technical/other fields of Inventions	
9	Advantage(s) of Inventions	
10	Novel features of Invention as based on prior art search (Kindly attach a comprehensive prior art search also clearly indicating subject matter on which search was conducted, fields or keywords searched, databases used for the said search and the reference of relevant documents considered relevant to the subject matter of your invention)	
11	Brief description of commercialization plans or commercialization status for the invention. Anticipated revenues from commercializing the invention	
12	Potential markets and the basis for the same	

Part-3 Details of Patent Agent/Attorney

13	Name of Patent Agents/Attorney Firm	
14	Contact Person and Contact Number	
15	No. of years in handling international patents	
16	Address of the firm	
17	Is the international application already filed? (Yes/ No)	
18	Route of Filing: PCT/ Conventional	
19	Countries Filed or Proposed	

Documents to be submitted

Form – IN2: In-principle Approval for Assistance to Incubator

Date:

To

Ref: 1. Your Application dated _____

Sub: In-principle approval for Assistance under the Scheme of Assistance for Incubators

Sir/ Madam,

1. We are pleased to acknowledge your application dated _____ seeking assistance under the scheme for Incubators and Start-ups with registration no._____. In future correspondences please quote the registration number allotted to you.
2. On behalf of the Government of Punjab, I convey the “in-principle” approval/ refusal with reference to your application dated _____ for assistance under the Scheme of assistance for Incubators and Start-ups for your incubation centre at _____with an estimated Investment of Rs. _____.
3. Subject to the adherence to conditions as laid out in para 4 of this letter and subject to approval by the Punjab Start-Up coordination Committee, the assistance that you can avail under the scheme will be as under:

Sr.No	Assistance Type	Indicative eligible amount of assistance	Remarks
1	Capital Assistance		
2	Recurring Expense Reimbursement		
3	Mentoring & Training		
4	Startup Competition Assistance: Recurring Expense Reimbursement		

4. This in-principle approval is valid for a period of one (1) year from the date of issuance of this letter subject to fulfillment of the following conditions: -
- i. Procurement and having final possession of the land / office space. Financial Closure of the Project – for computing financial closure, the applicant will be allowed to incorporate eligible assistance from Gol, GoP, under respective schemes for assistance to Incubator, fees from incubatees, funds to be raised from market along with own equity and debt that the applicant will take.
 - ii. Preparation and submission of Detailed Project Report (DPR)
 - iii. Component/ activity wise implementation schedule specifying the timelines and corresponding milestones
 - iv. Submission of application as per para 15.5 of the scheme within 1 year.
5. In case, the above conditions are not met by the end of the validity period of this in-principle approval, the validity will be extended for an additional period of maximum one-year subject to the fulfillment of the following mandatory conditions, with a satisfactory justification for the delay of the other conditions mentioned in para 4 above.
- i. Procurement and having final possession of the land / office space
 - ii. Financial Closure of the Project
6. Application for extending validity of in-principle approval shall be made before expiry of one year from grant of in-principle approval In case, the validity period is

extended, a detailed timelines for fulfilling the following conditions should be intimated to the Competent Authority.

- i. Preparation and submission of DPR
 - ii. Component/ activity wise implementation schedule specifying the timelines and corresponding milestones
 - iii. Submission of formal application as per para 5.6 of the Scheme
7. In an instance where the criteria is not met within the validity period, with or without extension, the in-principle approval shall lapse and the applicant would not have any claim for any incentive / benefit against the Government. However, you can submit a new Expression of Interest which would not be linked to the application referenced herein and will be treated as a new application.
 8. You are informed that till the filing of formal application as in Form – IN3, you can change the applicant. Further, please note that if you avail Capital Assistance, you will have to run incubation facility for a minimum period of five years.
 9. You are further informed that in relation to the indicative assistance indicated in para 3 of the letter, the numbers are indicative only. Actual eligible amount will depend on scrutiny of formal application and supporting documents by the Competent Authority and approval by the state level Committee.

Yours Sincerely,

Form –IN3: Assistance for Incubators
